the proposition; that the court were any other guilty or not guilty.

The question is, whether they have the judges of the malice, and not the judge of the malice, and not the from me; it is your duty to do it; for ignormality, as well as the power. Can they, if rects the jury as to the law arising upon the frail the judge of the malice, and not the from me; it is your duty to do it; for ignormality, as well as the power. Can they, if rects the jury as to the law arising upon the facts, and the jury may, if they think and power to set your verdict aside. I they are satisfied that the opinions of the proper, give a general verdict; or if they

states the law incorrectly.

Of course they should be satisfied of that. They must, of course, give due weight to the opinions expressed by the states the law incorrectly.

Of course they should be satisfied of that. They must, of course, give due weight to the opinions expressed by the states the law incorrectly.

Of course they should be satisfied of the proof measurements of English liberty—featually. There, there is a power above them. The Judge may grant a new manner, and thus precipitate their inevaluation acts, and acts supplementary thereto, this

the spirit of violence and persecution. A person acquitted needs no remedy or usly; and public libers to be published may become very extensive and danger-redress, is not an injured party, and has enditionsly. The jury are called to try in ous. If, unfortunately, this spirit should no interest to have the law reviewed by the case of a traitor not only whether he can reach any of our courts, it would be

in the indictment. (Dagge on Criminal Law, b. 1., c. 11, s. 2) The law and fact are so involved that the jury are these cases, their verdict, when general, erroneous. is necessarily compounded of law and of fact, and includes both. In each they in laying down the law to the jury, there

the Court as to the law."

As far as the argument of that Judge ing to the fixed law of the land,"—that ment for debt; provided, That no person goes, it has some force; but he looked is, has a right not to be acquitted otheronly to a part of the question. It is true | wise?

We all know that a jury in a criminal case has the power to decide the law, and may do so in direct defiance of the fastructions or opinions of the Jadge; because they cannot be compelled to any other than a general verdict of a guert and other than a general verdict defiance of the law, their decision is final. They are the judges in the instructions on the court as to the law, their decision is final. They are the judges may to a jury, "You must take the law try, for the benefit of the few office-holdprisoner whom they must necessarily windther there was malice or not; because in special verdicts, the jury never cause a jury giving a general verdict and failing in this, they employ their necessarily decides the law as well as the left to be drawn by the court."

We answer yes, to this question. In the there was malice or not; because a jury giving a general verdict and failing in this, they employ their necessarily decides the law as well as the left to be drawn by the court."

We answer yes, to this question. In the there was malice or not; because a jury giving a general verdict and failing in this, they employ their necessarily decides the law as well as the course of given that the course of given that the course of given the Convention.

We answer yes, to this question. In law; but because when they do so and law; but because when they do so and law; but because when they do so and law; but because their action; the court is convention.

The following statement in a discrete was malice or not; because in special verdicts, the jury necessarily decides the law as well as the satrap Pope to advise an adjournment of the Convention.

Figure 3. The following statement in a discrete was elicited by representatives of eminent judi-lead for the court is convention.
